## Grip® Film

High load retention – creates a 'strapping' effect on the load creating a powerful grip and excellent pallet stabilization.

- **40% Savings In...** Storage space, transport costs, roll change time and downtime.
- **Faster wrapping.** Reduced "necking down" means fewer wrap cycles per pallet.
- **Incredible Self-Gripping Film.** Automatically contracts with applied, providing extra stability.
- **Secure, Non-Slip Core Retention.** The robust core is designed to interface seamlessly with the dispenser.
