NITRILE & VINYL

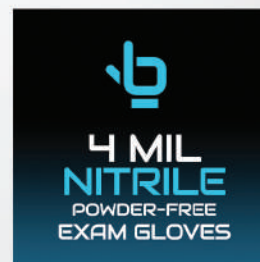

Disposable Nitrile & Vinyl Gloves

Bluehand™ disposable gloves deliver comfort, dexterity and protection for medical, food service and light industrial applications where hand covering is necessary. Our gloves are latex-free and powder-free to reduce allergen concerns. Exam-grade nitrile gloves are up to 4x stronger than latex, protect against chemicals and infectious agents, and provide superior performance for tasks requiring high dexterity. Economical vinyl gloves provide protection against chemicals and fluids.

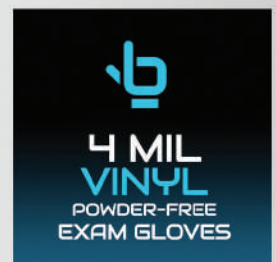

Product Features

- Powder free.
- Nitrile gloves are up to 4 times stronger than latex.
- Resistant to fats and chemicals.
- Ambidextrous.

Product Family

Exam-grade nitrile gloves. Superior puncture resistance, fit, comfort and dexterity. Resistant to fats and chemicals.
